

SWW DTP2 Feedback Procedure 2020-2021

The volume of applications received annually means that SWW DTP2 is not able to provide specific feedback on the content of an application or advise applicants on how to strengthen any subsequent application. An exception to this general principle is made if an applicant did not meet the minimum entry requirements.

If you would like to request general feedback, please email
swwdtp-enquiries@bristol.ac.uk.

Requests should be made before the end of the award cycle (Thursday 29 April 2021) and will be addressed as soon as staff workload permits. Requests for feedback after that point will not be considered. The SWW DTP2 will not consider feedback requests submitted by third parties without the explicit consent of the applicant.

The volume of applications received by SWW DTP2 is such that we regret that, after providing general feedback, it is not possible to enter into further correspondence with unsuccessful applicants. There is no right of appeal and decisions will not be reviewed. However, concerns that SWW DTP2's assessment procedure has been incorrectly implemented may be investigated under the SWW DTP2's complaints procedure (see the link on the "Apply" page).
